

**Questions with Answers to RFP for Legal Services
For the Iowa Educational Savings Plan Trust and ABLE Trust**

September 1, 2015

Number 5 of Part I on page 11 of the RFP ask for “details of any claims, disputes, litigation or other legal proceedings where your firm is or has been involved with the State of Iowa or any of its agencies within the past three calendar years.” We are presuming that you are interested in claims, etc. where the firm itself was a party to the dispute and not instances where the firm represented clients involved in a dispute with the State. Is this correct?

That is correct.
